

Job Title: Trail and Lift Maintenance

Location: Black Mountain Ski Area

Reports To: Director of Mountain Operations

Employment Type: Full-Time, Year-Round

Company Overview: Black Mountain, established in 1935, is the oldest continuously operating ski resort in New Hampshire. The mountain is an integral part of the Mount Washington Valley community, significantly contributing to local culture and economy, and offering generations of families an authentic New England skiing experience.

Position Summary: We are seeking a dedicated Trail and Lift Maintenance team member to join our Mountain Operations department. This role primarily focuses on trail preparation, including cutting, clearing, and maintaining ski trails, ensuring they are ready for winter operations. Additionally, the candidate will support lift maintenance and may transition into a lift operator position during the winter season.

Primary Job Responsibilities:

Trail Maintenance:

- Perform cutting, clearing, and brush removal on ski trails and slopes.
- Maintain trail surfaces, removing debris and ensuring optimal skiing conditions.
- Operate various equipment such as chainsaws, brush cutters, and other hand tools safely and efficiently.

Lift Maintenance Assistance:

- Assist with routine inspection, maintenance, and minor repairs of ski lifts.
- Support seasonal setup and teardown of lift equipment.
- Report equipment issues promptly and maintain accurate maintenance records.

Operational Support:

- Provide general support to the Mountain Operations team as needed.
- Maintain a clean, organized work area and uphold high safety standards.

Safety and Compliance:

- Adhere to all safety regulations and guidelines.
- Participate in safety training sessions and contribute to a safe working environment.

Preferred Qualifications and Experience:

- Prior experience in ski area operations, particularly trail maintenance or lift operations.
- Basic mechanical skills and experience operating snowmaking and grooming equipment.
- Ability to perform physically demanding tasks in various weather conditions.
- Strong commitment to safety protocols and attention to detail.
- Team-oriented attitude with good communication and collaboration skills.
- Flexibility to work weekends, holidays, and variable hours as required by operational demands.

Enjoy great perks, including a family season pass valid for up to 5 family members and discounts on retail and food items!

Join our dedicated team at Black Mountain Ski Area and play a vital role in creating exceptional experiences for our guests!
